and 577.500, to read as follows:

302.060. The director shall not issue any license and shall immediately deny any driving privilege:

(1) To any person who is under the age of eighteen years, if such person operates a motor vehicle in the transportation of persons or property as classified in section 302.015;

(2) To any person who is under the age of sixteen years, except as hereinafter provided;

(3) To any person whose license has been suspended, during such suspension, or to any person whose license has been revoked, until the expiration of one year after such license was revoked;

(4) To any person who is an habitual drunkard or is addicted to the use of narcotic drugs;

(5) To any person who has previously been adjudged to be incapacitated and who at the time of application has not been restored to partial capacity;

(6) To any person who, when required by this law to take an examination, has failed to pass such examination;

(7) To any person who has an unsatisfied judgment against such person, as defined in chapter 303, RSMo, until such judgment has been satisfied or the financial responsibility of such person, as defined in section 303.120, RSMo, has been established;

(8) To any person whose application shows that the person has been convicted within one year prior to such application of violating the laws of this state relating to failure to stop after an accident and to disclose the person's identity or driving a motor vehicle without the owner's consent;

(9) To any person who has been convicted more than twice of violating state law, or a county or municipal ordinance where [the judge in such cases was an attorney and] the defendant was represented by or waived the right to an attorney in writing, relating to driving while intoxicated; except that, after the expiration of ten years from the date of conviction of the last offense of violating such law or ordinance relating to driving while intoxicated, a person who was so convicted may petition the circuit court of the county in which such last conviction was rendered and the court shall review the person's habits and conduct since such conviction. If the court finds that the petitioner has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding ten years and that the petitioner's habits and conduct show such petitioner to no longer pose a threat to the public safety of this state, the court may order the director to issue a license to the petitioner if the petitioner is otherwise qualified pursuant to the provisions of sections 302.010 to 302.540. No person may obtain a license pursuant to the provisions of this subdivision through court action more than one time;

(10) To any person who has been convicted twice within a five-year period of violating state law, or a county or municipal ordinance [where the judge in such cases was an attorney and] the defendant was represented by or waived the right to an attorney in writing, of driving while intoxicated, or who has been convicted of the crime of involuntary manslaughter while operating a motor vehicle in an intoxicated condition. The director shall not issue a license to such person for

five years from the date such person was convicted for involuntary manslaughter while operating a motor vehicle in an intoxicated condition or for driving while intoxicated for the second time. Any person who has been denied a license for two convictions of driving while intoxicated prior to July 27, 1989, shall have the person's license issued, upon application, unless the two convictions occurred within a five-year period, in which case, no license shall be issued to the person for five years from the date of the second conviction;

(11) To any person who is otherwise disqualified pursuant to the provisions of sections 302.010 to 302.780, chapter 303, RSMo, or section 544.046, RSMo;

(12) To any person who is under the age of eighteen years, if such person's parents or legal guardians file a certified document with the department of revenue stating that the director shall not issue such person a driver's license. Each document filed by the person's parents or legal guardians shall be made upon a form furnished by the director and shall include identifying information of the person for whom the parents or legal guardians are denying the driver's license. The document shall also contain identifying information of the person's parents or legal guardians. The document shall be certified by the parents or legal guardians to be true and correct. This provision shall not apply to any person who is legally emancipated. The parents or legal guardians may later file an additional document with the department of revenue which reinstates the person's ability to receive a driver's license.

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs; or
- (e) Any other circumstance the court or director finds would create an undue hardship on the operator;

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall

not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

(4) The court order or the director's grant of the limited driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(5) Except as provided in subdivision (7) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege [has previously been granted such a privilege within the immediately preceding five years, or whose] **has had his or her** license [has been] suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where [the judge in such case was an attorney and] the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;
(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

(6) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(7) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least

two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

[302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;

- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs; or
- (e) Any other circumstance the court or director finds would create an undue hardship on the operator;

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

(4) The court order or the director's grant of the limited driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(5) Except as provided in subdivision (6) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked

for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state;

(g) Disqualification of a commercial driver's license pursuant to sections 302.700 to 302.780, however, nothing in this subsection shall prevent a person holding a commercial driver's license who is suspended or revoked as a result of an action occurring while not driving a commercial motor vehicle or driving for pay, but while driving in an individual capacity as an operator of a personal vehicle from applying for a limited driving privilege to operate a commercial vehicle, if otherwise eligible for such limited privilege; or

(h) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

(6) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit

court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.]

302.321. 1. A person commits the crime of driving while revoked if [he] **such person** operates a motor vehicle on a highway when [his] **such person's** license or driving privilege has been canceled, suspended or revoked under the laws of this state or any other state and acts with criminal negligence with respect to knowledge of the fact that [his] **such person's** driving privilege has been canceled, suspended or revoked.

2. Any person convicted of driving while revoked is guilty of a class A misdemeanor. Any person with no prior alcohol-related enforcement contacts as defined in section 302.525, convicted a fourth or subsequent time of driving while revoked or a county or municipal ordinance of driving while suspended or revoked where [the judge in such case was an attorney and] the defendant was represented by or waived the right to an attorney in writing, and where the prior three driving-while-revoked offenses occurred within ten years of the date of occurrence of the present

offense and where the person received and served a sentence of ten days or more on such previous offenses; and any person with a prior alcohol-related enforcement contact as defined in section 302.525, convicted a third or subsequent time of driving while revoked or a county or municipal ordinance of driving while suspended or revoked where [the judge in such case was an attorney and] the defendant was represented by or waived the right to an attorney in writing, and where the prior two driving-while-revoked offenses occurred within ten years of the date of occurrence of the present offense and where the person received and served a sentence of ten days or more on such previous offenses is guilty of a class D felony. No court shall suspend the imposition of sentence as to such a person nor sentence such person to pay a fine in lieu of a term of imprisonment, nor shall such person be eligible for parole or probation until [he] **such person** has served a minimum of forty-eight consecutive hours of imprisonment, unless as a condition of such parole or probation, such person performs at least ten days involving at least forty hours of community service under the supervision of the court in those jurisdictions which have a recognized program for community service. Driving while revoked is a class D felony on the second or subsequent conviction pursuant to section 577.010, RSMo, or a fourth or subsequent conviction for any other offense.

302.541. 1. In addition to other fees required by law, any person who has had a license to operate a motor vehicle suspended or revoked following a determination, pursuant to section 302.505, or section 577.010, 577.012, 577.041 or 577.510, RSMo, or any county or municipal ordinance, where [the judge in such case was an attorney and] the defendant was represented by or waived the right to an attorney, that such person was driving while intoxicated or with a blood alcohol content of eight-hundredths of one percent or more by weight or, where such person was at the time of the arrest less than twenty-one years of age and was driving with a blood alcohol content of two-hundredths of one percent or more by weight, shall pay an additional fee of twenty-five dollars prior to the reinstatement or reissuance of the license.

2. Any person less than twenty-one years of age whose driving privilege has been suspended or revoked solely for a first determination pursuant to sections 302.500 to 302.540 that such person was driving a motor vehicle with two-hundredths of one percent or more blood alcohol content is exempt from filing proof of financial responsibility with the department of revenue in accordance with chapter 303, RSMo, as a prerequisite for reinstatement of driving privileges or obtaining a restricted driving privilege as provided by section 302.525.

311.310. 1. Any licensee under this chapter, or his employee, who shall sell, vend, give away or otherwise supply any intoxicating liquor in any quantity whatsoever to any person under the age of twenty-one years, or to any person intoxicated or appearing to be in a state of intoxication, or to a habitual drunkard, and any person whomsoever except his parent or guardian who shall procure for, sell, give away or otherwise supply intoxicating liquor to any person under the age of twenty-one years, or to any intoxicated person or any person appearing to be in a state of intoxication, or to a habitual drunkard, shall be deemed guilty of a misdemeanor, except that this section shall not apply to the supplying of intoxicating liquor to a person under the age of

twenty-one years for medical purposes only, or to the administering of such intoxicating liquor to any person by a duly licensed physician. No person shall be denied a license or renewal of a license issued under this chapter solely due to a conviction for unlawful sale or supply to a minor when serving in the capacity as an employee of a licensed establishment.

2. Any owner, occupant, or other person or legal entity with a lawful right to the use and enjoyment of any property is prohibited from knowingly allowing a person under the age of twenty-one to drink or possess intoxicating liquor or knowingly failing to stop a person under the age of twenty-one from drinking or possessing intoxicating liquor on such property, unless such person allowing the person under the age of twenty-one to drink or possess intoxicating liquor is his or her parent or guardian. A person who violates the provisions of this subsection is guilty of a class A misdemeanor.

565.022. 1. A person commits the crime of aggravated vehicular manslaughter if he or she, while in an intoxicated condition, operates a motor vehicle in this state, and when so operating with criminal negligence:

(1) Causes the death of any person not a passenger in the vehicle operated by the defendant; or

(2) Causes the death of two or more persons; or

(3) Causes the death of a person less than fifteen years of age; or

(4) Causes the death of any person while the defendant's blood alcohol is greater than or equal to two-tenths percent of alcohol by weight in the defendant's blood.

2. Aggravated vehicular manslaughter is a class B felony.

568.050. 1. A person commits the crime of endangering the welfare of a child in the second degree if:

(1) He or she with criminal negligence acts in a manner that creates a substantial risk to the life, body or health of a child less than seventeen years old; or

(2) He or she knowingly encourages, aids or causes a child less than seventeen years old to engage in any conduct which causes or tends to cause the child to come within the provisions of paragraph (d) of subdivision (2) of subsection 1 or subdivision (3) of subsection 1 of section 211.031, RSMo; or

(3) Being a parent, guardian or other person legally charged with the care or custody of a child less than seventeen years old, he or she recklessly fails or refuses to exercise reasonable diligence in the care or control of such child to prevent him from coming within the provisions of paragraph (c) of subdivision (1) of subsection 1 or paragraph (d) of subdivision (2) of subsection 1 or subdivision (3) of subsection 1 of section 211.031, RSMo; or

(4) He or she knowingly encourages, aids or causes a child less than seventeen years of age to enter into any room, building or other structure which is a public nuisance as defined in section 195.130, RSMo; or

(5) The person operates a vehicle in violation of section 565.022, 565.024, 565.060,

577.010, or 577.012, RSMo, while a child less than seventeen years of age is present in the vehicle.

2. Nothing in this section shall be construed to mean the welfare of a child is endangered for the sole reason that he **or she** is being provided nonmedical remedial treatment recognized and permitted under the laws of this state.

3. Endangering the welfare of a child in the second degree is a class A misdemeanor unless the offense is committed as part of a ritual or ceremony, in which case the crime is a class D felony.
